The Saint Paul Police Department Professional Development Institute is hosting an "AR15/M16/M4 Advanced Armorer Course" presented by Specialized Armament. This 20 hour block of instruction takes the individual armorer to a new level of weapons training by creating a synthesis of real-world and technical material--rarely presented to law enforcement and military personnel. Specialized Armament has integrated over 20 years of first hand knowledge, engineering, and experience with a new Advanced Armorer manual, specialty tools, precision gages, proto-type fixtures, custom training aids, and skillful hands-on techniques to form a 2.5 day advanced class.
